## **INTRODUCTION**

Dear Olmsted Falls High School Students and Families,

It is a pleasure to welcome your children and you to Olmsted Falls High School as we begin the new school year. It is our goal to have students, parents, and school personnel work together in a common effort to provide a program that will enable each child to develop to his fullest potential.

We have prepared this handbook in an attempt to acquaint parents and students with most of the policies, procedures, and activities at Olmsted Falls High School. We hope you will keep it handy for ready reference.

We strongly encourage parents to take an active role in the education of their children. By working together, we can provide better educational opportunities for our children.

This handbook replaces all prior handbooks and other written material on the same subjects. This Handbook does not equate to an irrevocable contractual commitment to the student, but only reflects the current status of the Board's policies and the School's rules. If any of the policies or administrative guidelines referenced herein are revised, the language in the most current policy or administrative guideline prevails. Copies of current Board policies and administrative guidelines are available on the District's website.

## ANTI-HARASSMENT

Harassment, intimidation, or bullying behavior by any student/school personnel in Olmsted Falls City School District is strictly prohibited, and such conduct may result in disciplinary action, including suspension and/or expulsion from school. "Harassment, intimidation, or bullying", in accordance with House Bill 116, means any aggressive behavior, intentional written, verbal, graphic or physical act including electronically transmitted acts (i.e., internet, cell phone, personal digital assistant (PDA), or wireless hand-held device), either overt or covert, by a student or group of students toward other students/school personnel with the intent to harass, intimidate, injure, threaten, ridicule, or humiliate. Such behaviors are prohibited on or immediately adjacent to school grounds, at any school-sponsored activity, on school provided transportation, or at any official school bus stop that a reasonable person under the circumstances should know will have the effect of:

- A. Causing mental or physical harm to the other student/school personnel including placing an individual in reasonable fear of physical harm and/or damaging of students' personal property; and
- B. Is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student/school personnel.

### **Definitions of terms:**

- A. Causes mental or physical harm to the other student, and
- B. Is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student.

Aggressive behavior is defined as inappropriate conduct that is repeated enough, or serious enough to negatively impact a student's educational, physical, or emotional well-being. It would include, but not be limited to, such behaviors as stalking, bullying/cyberbullying, intimidating, menacing, coercion, name calling, taunting, making threats, and hazing.

"Harassment, Intimidating, or Bullying" also means cyberbullying through electronically transmitted acts (i.e., internet, e-mail, cellular telephone, personal digital assistant (PDA), or wireless hand-held device) that a student(s) or a group of students exhibits toward another particular student(s) more than once and the behavior:

- A. Causes mental or physical harm to the other student/school personnel; and
- B. Is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student/school personnel.

No administrator, teacher, or other employee of the District shall encourage, permit, condone or tolerate any of these behaviors. No student, including leaders of student organizations, may plan, encourage or engage in any of these behaviors. Administrators, teachers and all other District employees are particularly alert to possible conditions, circumstances or events that might include these behaviors.

In evaluating whether conduct constitutes harassment, intimidation, or bullying, special attention should be paid to the words chosen or the actions taken, whether such conduct occurred in front of others or was communicated to others, how the perpetrator interacted with the victim, and the motivation, either admitted or appropriately inferred.

Any student or student's parent/guardian who believes s/he has been or is the victim of aggressive behavior should immediately report the situation to the building principal or assistant principal. The student may also report concerns to teachers and other school staff who will be responsible for notifying the appropriate administrator.

If any of these behaviors are discovered, involved students will be informed by the discovering District employee of the prohibition contained in this policy and are required to end the behavior(s) immediately. An investigation will result and shall include documentation of the event, response and strategy for protecting the victim. If the investigation finds an instance of hazing, harassment, intimidation, bullying, and/or sexual harassment, by an electronic act or otherwise, has occurred, it will result in prompt and appropriate remedial and/or disciplinary action.

If, during the investigation, the Principal or appropriate administrator believes the reported misconduct may have created a hostile learning environment and may have constituted unlawful discriminatory harassment, said will report the act of to one of the Anti-Harassment Compliance Officers so that it may be investigated in accordance with the procedures set forth in [Policy 5517](#).

All absences (partial day and full day) backed by a physician or medical center note, are exempt from the consequences of HB410 Chronic Absence protocols. This includes any incidents where a student is sent home per the school clinic due to illness verified by the school clinic. Physician is defined as anyone in the medical community recognized as a physician for providing care. (i.e. medical, doctor, dentist, clinic, orthodontist, optometrist, mental health treatment, allergist, therapist, ect.) Students who meet the Federal definition of "in foster care", including those who are awaiting foster care placement, will be provided a free appropriate public education (FAPE) in the same manner as all other students of the District.

[For additional information see Policy 5111.03.](#)

**COMMUNICABLE DISEASES**

**CONTROL OF CASUAL-CONTACT COMMUNICABLE DISEASES**

Since any school could have a high concentration of people, it is necessary to take specific measures when the health or safety of the group is at risk. The school's professional staff may remove or isolate a student who has been ill or has been exposed to a communicable disease or highly transient pest, such as lice.

Specific communicable diseases include diphtheria, scarlet fever, strep infections, whooping cough, mumps, measles, rubella, and other conditions indicated by the Local and State Health Departments.

Any removal will be limited to the contagious period as specified in the School's administrative guidelines.

### **CONTROL OF NON CASUAL-CONTACT COMMUNICABLE DISEASES**

The School District has an obligation to protect staff and students from non casual-contact communicable diseases. When a non casual-contact communicable disease is suspected, the student's health will be reviewed by a panel of resource people, including the County Health Department. The School will protect the privacy of the person affected and those in contact with the affected person. Students and staff will be permitted to remain in school unless there is definitive evidence to warrant exclusion.

Non Casual-contact communicable diseases include sexually transmitted diseases, AIDS, ARCAIDS Related Complex, HIV, Hepatitis B, and other diseases that may be specified by the State Board of Health.

As required by Federal law, parents will be requested to have their child's blood checked for HIV and HBV when the child bleeds at school and students or staff members are exposed to the blood. Any testing is subject to laws protecting confidentiality.

### **CONTROL OF BLOOD-BORNE PATHOGENS**

The School District seeks to provide a safe educational environment for students and take appropriate measures to protect those students who may be exposed to blood-borne pathogens in the school environment and/or during their participation in school-related activities. While the risks of students being exposed to blood-borne pathogens may be low, students must assume that all body fluids are potentially infectious and must take precaution to follow universal procedures in order to reduce such risks and minimize and/or prevent the potential for accidental infection.

Students may be exposed to blood-borne pathogens in situations, including, but not limited to the following:

- Engaging in activities with other students in the school environment (e.g., physical education class) where physical injuries or other actions that can cause bleeding or exposure to saliva and other body fluids may occur.
- Working with equipment in the school environment that can cause cuts or similar injuries that produce bleeding.
- Participating in extracurricular activities (i.e., athletic activities) where physical injuries or other actions that can cause bleeding may occur.

Whenever a student has contact with blood or other potentially infectious material, the school will follow their guidelines and procedures for the reporting, evaluation, and follow-up to any and all incidents of student exposure.

[Please refer to Policy #8450](#) and [Administrative Guidelines #8450, #8453, #8453.02](#) to read it in its entirety.

## **DIRECTORY INFORMATION/FERPA**

In keeping with the [Ohio Revised Code Sec.3319.321](#), and the Family Education Rights and Privacy Act (FERPA), the school district follows the guidelines of the Family Educational Rights and Privacy Act (FERPA) regarding all student records.

Parents who do not want directory information for their child released to colleges, universities and military recruiters should contact the School's guidance office.

The Family Policy Compliance Office in the U.S. Department of Education administers both FERPA and PPR. Parents and/or eligible students who believe their rights have been violated may file a complaint with:

Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue, SW 20202-4605 Washington, D.C.  
[www.ed.gov/offices/OM/fpco](http://www.ed.gov/offices/OM/fpco)

Informal inquiries may be sent to the Family Policy Compliance Office via the following email addresses: [FERPA@ED.Gov](mailto:FERPA@ED.Gov) and [PPRA@ED.Gov](mailto:PPRA@ED.Gov)

## **DRUG/ALCOHOL-FREE SCHOOLS**

The Board of Education recognizes that the misuse of drugs poses legal, physical, and social issues that affect the entire school community. The Board prohibits the use, transfer, possession, concealment, and/or distribution of any drug (including alcohol and look-alike drugs), or any drug-related paraphernalia as the term is defined by law, on school grounds, in vehicles, and at any school-sponsored event. Further, the Board mandates a drug-free zone within 1000 feet of any facility used by the District for educational purposes as defined by law.

[Please refer to Policy #5530 to read it in its entirety.](#)

## **DUE PROCESS**

Due process in the context of administrative proceedings carried out by school authorities does not mean that proceedings used in courts in juvenile proceedings must be followed exactly by school authorities when engaged in disciplinary proceedings. It does mean that clear, definite, and fundamentally fair rules of procedure must govern disciplinary actions taken by school authorities. According to O.R.C. 3313.66 a student must be given written notice of intent to suspend, with reasons for the intended suspension, and an opportunity to explain his/her behavior to the school administrator.

Due process requirements are specified in [Ohio Revised Code 3313.66](#) and [Board Policy 5500](#), [Student Conduct](#), [Due Process Rights and 5611](#). [Detailed information is in Board Policy 5610, Emergency Removal, Suspension and Expulsion of Students.](#)

## **EMERGENCY MEDICAL AUTHORIZATION**

A complete Emergency Medical Authorization Form must be on file with the School in order for a student to participate in any activity off school grounds, including field trips, spectator trips, athletic and other extracurricular activities, and co-curricular activities. The Emergency Medical Authorization form is provided at the time of enrollment and at the beginning of each school year.

## **EQUAL EDUCATION OPPORTUNITY / PROHIBITION AGAINST DISCRIMINATION**

Brian Zeller  
Chief Operating Officer  
440-427-6000  
26937 Bagley Road

## **FAMILY RIGHTS AND PRIVACY**

Legislation provides parents of students under 18 years of age, and students 18 years of age or older, have the right to review and question the records of the student within a reasonable time after making the request. If there are any questions as to the accuracy of the record of the student that cannot be solved informally, a hearing will be held concerning the questionable material. This also provides that a transcript cannot be sent without the written permission of a parent of a student under the age of 18, or the written permission of the student 18 years of age or older. Student directory information cannot be released without permission from the parent of a student under 18 or permission of a student 18 years and older.

## **FIRE, TORNADO, AND SAFETY DRILLS**

The School complies with all fire safety laws and will conduct fire drills in accordance with State law. The School conducts tornado drills during the tornado season following procedures prescribed by the State. Teachers will provide specific instructions on how to proceed in the case of fire or tornado and will oversee the safe, prompt, and orderly evacuation of the building in such cases.

Safety drills using ALICE techniques will be conducted throughout the school year. Teachers will provide specific instruction on the appropriate procedures to follow in situations where students must be secured in their building rather than evacuated. These situations can include a terrorist threat, a person in possession of a deadly weapon on school property, or other acts of violence.

[Please refer to Policy #2464 to read it in its entirety.](#)

## **INFOSNAP**

Online Student Registration, Emergency Medical Information & Required Forms

Olmsted Falls School District uses an online student information system, powered by InfoSnap, for the annual gathering of important student information including emergency contact information, emergency medical information and other required forms.

The online student registration system is used annually for both new student registration as well as verification of returning student information. It is critical that parents of returning students complete the online student registration process each August before the first day of school. Ensuring that the school has the most up-to-date information for your child is of the utmost importance.

The online student registration system includes:

- Student Health Information
- Emergency Medical Authorization
- Emergency Contact Information
- Student Handbooks
- Computer Acceptable Use Policy
- Local Field Trip Permission Form
- Photo/Film Release Form

Parents have the ability to print a hard copy of all information they have submitted and electronically signed for their personal records during the registration process. If you need a copy of any of your information after your student's online registration has been submitted, please contact your child's school building for assistance.

Please note that Olmsted Falls School District no longer provides or accepts paper forms for registration. Any Bulldog parent in need of assistance with the online process is invited and encouraged to contact your child's school building to set up an appointment to come in and complete the online registration using a school computer. During the registration process and appointment, the parent/guardian will be informed by a school official about possible requirements that encompass proof of residency and other pertinent specific student information items (examples would include but are not limited to the following: Evaluation Team Report, Individualized Education Plan Program, 504 plan, birth certificate, health care plans).

## **INVESTIGATIONS BY LAW ENFORCEMENT PERSONNEL**

It is the student's responsibility to cooperate with the police or other agencies in the investigation of suspected crimes.

Under some circumstances, students being interviewed/questioned by law enforcement authorities at school may find that they are suspects in the investigation. Students are entitled to certain rights when questioned by law enforcement authorities and may also have a legal obligation to cooperate. The student may wish to consult his/her parent/guardian before being interviewed. The school administrator shall make every effort to contact the parent/guardian for the student. The student must properly identify himself/herself to law enforcement authorities. The parent/guardian may notify the school administrator that they do not wish to have the student interviewed unless they are present. The school administrator shall notify the student and the law enforcement authorities of the parent/guardian's desire and appropriate arrangements shall be made agreeable to all parties.

In the event that the interview proceeds, the principal must:

1. Ensure the student has been advised of his/her rights
2. Be present during the entire period of questioning
3. Not enter into the questioning on behalf of the law enforcement authorities.

A school administrator will avoid acting in either the role of the student's defender or accuser. Students have the right to be informed if they are under arrest at the time the questioning takes place. If the student is unclear about this they may ask to resume their regular schedule. If the law enforcement authorities deny permission, then the student should consider themselves as actually under arrest. Students who believe themselves under arrest or suspects in an investigation may freely invoke their constitutional rights against self-incrimination and against illegal search and seizure, and are entitled to the presence of legal counsel while being questioned.

Neither students nor staff may engage in the obstruction of justice, interfere with police in the performance of their duties, nor refuse to report suspected cases of felonies (serious crimes) under penalties of law.

School administrators or their designee will be present when interviews by social workers or law enforcement officers are conducting investigations regarding suspected child abuse or neglect.

## **MEDICATION AT SCHOOL**

In order to safeguard all students, we must adhere to the following for the administration of any medication to students while at school. Before a student may be administered or self-administer prescription or over-the counter medication at school, the student's parent must complete the Parent Authorization and Request for the Administration and/or Use of Medication and return it to the office of the school clinic. Additionally, before a student may be administered or self-administer prescription medication at school, the Board requires that the Prescriber's Statement be completed by the licensed health professional authorized to prescribe the medication and returned to the office of the school clinic. Ohio law permits students to carry asthma inhalers and to carry and use an epinephrine auto injector at school if certain requirements are met. In both cases the Parent Authorization and Request for the Administration and/or Use of Medication and the Prescriber's Statement must be completed with information specific to each medication and returned to the principal and/or school nurse. All medications, (prescription or over-the-counter) shall be kept in the clinic. Only when certain specific requirements have been met, may a student carry his or her own asthma inhaler or epinephrine auto injector.

All prescription medication shall be provided to the school in its original container with the student's name and pharmacist's label.

No student is allowed to provide or sell any type of prescription or over-the-counter medication to another student.

Students are prohibited to carry on their person any medications on school grounds even if they are registered in the clinic.

Violations of this rule will be considered violations of [Policy 5530—Drug Prevention and of the Student Code of Conduct](#).

## **NUTRITION SERVICES**

Children need healthy meals to learn. Our breakfasts and lunches provide meals to promote healthy bodies and minds. Menu offerings include a variety of colorful fruits and vegetables, whole grains, meat, meat alternatives, and milk. Breakfast and lunch are available to all students. The Board recognizes the importance of good nutrition to each student's educational performance. The Board provides eligible children with breakfast and lunch at a reduced rate and/or at no charge to the student. Eligibility for free or reduced-price meals, is determined by the criteria established by the Child Nutrition Program and National School Lunch Act. These criteria are issued annually by the Federal government through the Ohio Department of Education. Applications for the School's Free and Reduced-Priced Meal program are distributed to all students.

If a student does not receive an application form and believes s/he is eligible, contact Mr. Samuel Chin, Food Service Director at 440-427-6440 or by email at [schin@ofcs.net](mailto:schin@ofcs.net)

## **POSITIVE BEHAVIOR INTERVENTIONS & SUPPORTS (PBIS)**

PBIS is a systemic approach to teaching important social and behavior skills while preventing problem behaviors. PBIS encompasses a wide range of systemic and individualized positive strategies to reinforce desired behaviors, diminish recurrences of challenging behaviors, and teach appropriate behaviors to students. As part of the district-wide initiative, all buildings have the same four expectations: Be Safe, Be Respectful, Be Responsible, and Be Kind. We instruct students on positive behaviors relating to these expectations in all school settings (classroom, hallway, cafeteria, bus and extra-curricular activities). Student recognition and reward for exhibiting these expectations are provided to support the instruction and learning.

[Please refer to Policy # 5630.01](#) to read it in its entirety.

## **POSSESSION, USE, AND TRANSMISSION OF TOBACCO SUBSTANCE, VAPOR AND ELECTRONIC CIGARETTES**

The Board of Education is committed to providing students, staff, and visitors with a tobacco and smoke-free environment. This is consistent with the responsibilities of teachers and staff to be positive role models.

For purposes of this policy, "use of tobacco" means to chew or maintain any substance containing tobacco, including smokeless tobacco, in the mouth to derive the effects of tobacco, as well as all uses of tobacco or tobacco substitutes, including cigarettes, cigars, pipe tobacco, chewing tobacco, snuff, or any other matter or substances that contain tobacco, in addition to papers used to roll cigarettes.

The smoking of electronic, "vapor," or other substitute forms of cigarettes, clove cigarettes or other lighted smoking devices for burning tobacco or any other substance may be considered drug paraphernalia and treated as use of narcotics.

The Board prohibits the possession, consumption, purchase or attempt to purchase and/or use of tobacco or tobacco substitute products by students on Board premises, in Board-owned vehicles, within any indoor facility owned or leased or contracted for by the Board, and/or used to provide education or library services to children, and at all Board-sponsored events.

Students who violate this policy shall be subject to disciplinary action in accordance with the Student Code of Conduct/Student Discipline Code and in accordance with the policies of the Board.

## **PREPAREDNESS FOR TOXIC AND ASBESTOS HAZARDS**

The School is concerned for the safety of students and attempts to comply with all Federal and State Laws and Regulations to protect students from hazards that may result from industrial accidents beyond the control of school officials or from the presence of asbestos materials used in previous construction. A copy of the School District's Preparedness for Toxic Hazard and Asbestos Hazard Policy and asbestos management plan is available for inspection at the Board offices upon request.

## **REMOVAL, SUSPENSION, EXPULSION, AND PERMANENT EXCLUSION OF STUDENTS**

No student is to be removed, suspended out of -school, expelled and/or permanently excluded unless his/her behavior represents misconduct as specified in the Student Code of Conduct/Student Discipline Code approved by the Board. The Code shall also specify the procedures to be followed by school officials when implementing such discipline. In addition to the procedural safeguards and definitions set forth in this policy and the student/parent handbook, additional procedures and considerations shall apply to students identified as disabled under the IDEA, ADA, and/or Section 504 of the Rehabilitation Act of 1973. ([See Policy 5605 "Suspension/Expulsion of Disabled Students."](#))

### **EMERGENCY REMOVAL**

"Emergency removal" shall be the exclusion of a student who poses a continuing danger to District property or persons in the District or whose behavior presents an on-going threat of disrupting the educational process provided by the District. ([See Policy 5610.03 "Emergency Removal"](#))

### **SUSPENSION AND EXPULSION**

In accordance with Ohio law, Section 3313.66 R.C., the superintendent or the building administrator of a school may suspend a student from school for not more than ten (10) days. In addition, the superintendent may expel a student from school for eighty (80) days. Suspensions and/or expulsions can extend into the next school year. In some cases, the superintendent may seek to permanently exclude a student.

In accordance with Public Law 94-142, due process is guaranteed to handicapped children. Handicapped children are not entitled to completely separate disciplinary procedures and may be temporarily suspended. Expulsion of a handicapped student or suspension in excess of an aggregate of 10 days per year is a change of placement, thereby requiring federal due process procedures to be followed. The suspension of a student with disabilities for up to ten days per year does not constitute a change of educational placement. If a student with a disability exceeds 10 days, the school-based team will meet to conduct a manifestation determination review meeting.

All students that are suspended, in school or out of school, may be permitted to make up their assignments at the discretion of the building principal.

Students who are suspended out of school or expelled may not be present on school property, participate or attend any school activities or contests, or be present at activities or on property controlled by the school.

[The procedures for suspension are set forth in the Student Code of Conduct/Student Discipline Code and Policy 5611 - Due Process Rights.](#)

[The procedures for expulsion are set forth in the Student Code of Conduct/Student Discipline Code and Board Policy 5611 "Due Process Rights"](#)

### **PERMANENT EXCLUSION**

A student may be permanently excluded from attending any Ohio public school if the student is convicted of, or adjudicated a delinquent child, for committing, when 16 years of age or older, one of several criminal offenses.

High School credit and credit under joint enrollment post-secondary programs may be denied for the period of any expulsion. Notice of the expulsion will be sent to any college in which the expelled student is enrolled.

[Please refer to Policy # 5610 to read it in its entirety.](#)

## **THE RIGHTS OF HOMELESS PARENTS & THEIR CHILDREN**

Students entering the district and those currently enrolled who have changed living conditions, arrangements or locations are entitled to special services and permission to attend under the McKinney- Vento Homeless Act. [Please refer to Policy # 5111 to read it in its entirety.](#)

### **SEARCH AND SEIZURE**

In order to ensure the safety and well-being of all students, teachers, school employees and guests, it is the policy of this school district to authorize its administrators to search the clothing and personal effects of students where such a search is reasonably necessary under all the surrounding circumstances. In order to conduct such a search, it is not necessary that the administrator have probable cause to believe that a crime or violation of a school rule has occurred. It is necessary only for the administrator to have reasonable grounds to believe that a search will produce evidence that a student has violated or is violating a law or school rule. If such reasonable grounds exist, an administrator may conduct a search of a student's person or personal effects including but not limited to electronic devices. The search shall be reasonably related to the objectives of the search and not excessively intrusive in light of the age and sex of the student and the nature of the possible infraction that may have or may be occurring.

## **SEXUAL AND OTHER FORMS OF UNLAWFUL HARASSMENT**

It is the policy of the Board of Education to maintain an education and work environment that is free from all forms of unlawful harassment, including sexual harassment. This commitment applies to all School District operations, programs, and activities. All students, administrators, teachers, staff, and all other school personnel share responsibility for avoiding, discouraging, and reporting any form of unlawful harassment. This policy applies to unlawful conduct occurring on school property, or at another location if such conduct occurs during an activity sponsored by the Board.

The Board will vigorously enforce its prohibition against discriminatory harassment based on race, color, national origin, sex (including sexual orientation and gender identity), disability, age (except as authorized by law), religion, ancestry, or genetic information (collectively, "Protected Classes") that are protected by Federal civil rights laws (hereinafter referred to as unlawful harassment), and encourages those within the School District community as well as third parties, who feel aggrieved to seek assistance to rectify such problems. The Board will investigate all allegations of unlawful harassment and in those cases where unlawful harassment is substantiated, the Board will take immediate steps to end the harassment, prevent its recurrence, and remedy its effects. Individuals who are found to have engaged in unlawful harassment will be subject to appropriate disciplinary action.

### **Other Violations of the Anti-Harassment Policy**

- A. Retaliating against a person who has made a report or filed a complaint alleging unlawful harassment, or who has participated as a witness in a harassment investigation.
- B. Filing a malicious or knowingly false report or complaint of unlawful harassment.
- C. Disregarding, failing to investigate adequately, or delaying investigation of allegations of unlawful harassment, when responsibility for reporting and/or investigating harassment charges comprises part of one's supervisory duties.

## **STUDENT CONDUCT CODE**

### **Forward**

The student must recognize that to maintain an atmosphere conducive to learning, the reasonable exercise of authority of school officials is necessary. It is the intent of the Board of Education and Administration that all persons connected with the school will demonstrate respect for the rights of the student, and that the school will require students to accept their responsibility toward others and toward the school system. Just as students have rights and responsibilities, so do those who are charged with operating the schools. School administrators and faculties are obligated to maintain conditions favorable to the learning process free from disruptive influences. Teachers have the right to teach, free from verbal intimidation, physical abuse, or outside interference. Parents have the right to expect quality education, protection of their children, protection of teachers, and the protection of their investment in school property.

### **Statement of Policy**

It shall be the policy of the Olmsted Falls City Schools to encourage student conduct that will promote good health, reasonable standards of behavior, effective citizenship, and a favorable atmosphere for learning. Students on school grounds or in places under school jurisdiction are required to abide by the rules, which are established to achieve these objectives.

Admission to the schools of Olmsted Falls carries with it the presumption that the student will conduct himself as a responsible member of the school community. This presumption includes the expectation that the student will obey the law, adhere to the policies of the school system, and comply with rules and regulations implementing these policies. The student is required to safeguard the property of the school and to respect the rights and privileges of others in the school community. Each student is required to accept responsibility for his own conduct.

In accord with this policy, The Board has approved and the Administration shall implement the rules, regulations, and procedures contained in this document. When a violation of these rules occurs, the school officials are authorized and obligated to take appropriate action designed to ensure more responsible behavior on the part of the student. When violations of the laws of the United States, the State of Ohio, Olmsted Township, or City of Olmsted

Falls are also involved, the school officials can refer such matters to parents, legal guardians, or appropriate civil authorities.

### **Students' Rights**

It has been affirmed by Ohio courts and therefore should be recognized that each student's right will be guaranteed so long as the student does not disrupt the educational process or impose upon, endanger, or deprive others of their rights. Intended to be consistent with individual constitutional freedoms, a list of specific students' rights follows:

- A. Free Education. Ohio law provides that all residents of the Olmsted Falls School District ages five to twenty-one are entitled to attend Olmsted Falls Public Schools free of charge.
- B. Freedom from Discrimination. Students shall not be discriminated against for any reason (i.e. race, religion, and sex, ethnic or national origin, married, pregnant, or handicapped).
- C. Participation in School Government. Students may have a voice in the formulation of school policies and decisions, which affect their education and lives as students. The degree to which such participation is realized should be dependent upon age and experience of the students involved. Through such participation, (i.e., Student Council, etc.), students can be a powerful resource for the improvement of the school, the educational system and the community.
- D. Student Expression. Students are entitled to present their personal opinions in the proper forum. Responsible criticism and reasonable dissent are basic to the educational process. Students who publish and/or distribute handwritten, printed, or pictorial material on the school premises are responsible for its content. The distribution of materials should not conflict or interfere with school functions. Arrangements for distribution must meet with the approval of the building administrator. Freedom of student expression also applies to the student's dress and appearance and to items of symbolic expression (i.e., political buttons, armbands, and badges etc.) Student expression should not cause disruption to the educational process or present health or safety hazards. All property of the Olmsted Falls City Schools district including all that is physical and/or technology related (including websites), is not intended for use as an open forum and is subject to the authority of the Administration.
- E. Peaceful Assembly. Students have the right of peaceful assembly in school facilities generally available to the public at convenient hours that do not conflict with school functions. Arrangements must meet with the approval of the building administrator and conform to existing School Board Policy concerning supervision.
- F. Student Records. Students, parents, and legal guardians are entitled to be apprised of the student's official school record(s). School building administrators will determine the time and method for presentation of this material, in accordance with Ohio law.
- G. Search and Seizure. The Fourth and Fourteenth Amendments of the U.S. Constitution together with the statutes of the State of Ohio set forth procedures which must be followed in the search and seizure of individuals and property. Schools are required to adhere to Federal, State and School Regulations. Evidence gathered in a search may be used as evidence in criminal procedures. Great care must be exercised in searching the persons and effects of students. The following should be observed:
  1. When search of the student's person or personal effects is for evidence per se, such search is permissible without consent, under the theory that the Fourth Amendment applies only to evidence of a criminal offense.
  2. First and foremost in the thinking of school officials must be the protection and safety of the entire student body. Prudence requires that an immediate response be made to seriously threatening and explosive situations.
- H. Due Process. The "Student Rights and Responsibilities" section in this handbook sets forth rules, regulations, and procedures designed to protect students' rights and clarify student responsibilities in accordance with policies adopted by the Olmsted Falls Board of Education.
- I. Sexual Harassment. The Olmsted Falls School District is committed to preventing sexual harassment in all school facilities at all school functions. Sexual harassment is improper, immoral, illegal, and will not be tolerated in the Olmsted Falls School District. The policy is implemented to inform students as to what sexual harassment is and what procedures are to be followed in dealing with sexual harassment within the district.

### **Students' Responsibilities**

Admission to the Olmsted Falls Schools assumes that the student conducts himself/herself as a responsible member of the school community. Each student is required to accept responsibility for his/her own conduct and in doing so, accept the responsibility for the consequences of his/her choice. The student must recognize that to maintain an atmosphere conducive to learning, the reasonable exercise of authority by school officials is necessary.

Some specific student responsibilities include regular school attendance, conscientious effort in classroom work, maintenance of school property, and obedience to school rules and regulations. Most of all, students share with administrators and faculty the responsibility of developing a climate in the school that is conducive to wholesome learning and living.

### **Rules and Regulations**

The following rules, regulations, and procedures are based upon the official policy of the Board of Education of the Olmsted Falls City Schools. Certain types of student conduct are prohibited. These rules and regulations shall be enforced, unless otherwise specifically stated therein, on the school grounds during and immediately before or immediately after school hours; on the school grounds at any other time when the school is being used by a school group; off the school grounds at a school activity, function or event; job station where units of credits are given towards graduation, or when under the supervision of a school employee. These rules may also be enforced when an action is directed at a district employee, anytime on or off school grounds. A student found to be in violation of any of these rules or a portion thereof may be subject to disciplinary action.

This shall consist of either a disciplinary notice, denial of participation in privileges, detention, Saturday School assignment, suspension for a set number of days, expulsion, and/or permanent exclusion. (The examples listed in the rules below are not meant to be exhaustive.)

In addition to or in lieu of this disciplinary action, the disciplining authority can impose disciplinary measures in the nature of after school work, repair of or payment for physical damage caused by the student, cleanup, painting, and revocation of the privilege of participation in school activities.

The Administration has the right to use discretion in interpreting and implementing rules of the handbook in compliance with School Board Policy. This also means that the Administration can develop appropriate rules and regulations as called for by various situations. It also means that the Administration may, in severe or unusual cases discipline students in ways other than stated in the handbook.

### **SUSPENSION AND EXPULSION**

In accordance with Ohio law, Section 3313.66 R.C., the superintendent or the building administrator of a school may suspend a student from school for not more than ten (10) days. In addition, the superintendent may expel a student from school for eighty (80) days. Expulsions can extend into the next school year. In some cases, the superintendent may seek to permanently exclude a student.

In accordance with Public Law 94-142, due process is guaranteed to handicapped children. Handicapped children are not entitled to completely separate disciplinary procedures and may be temporarily suspended. Expulsion of a handicapped student or suspension in excess of an aggregate of 10 days per year is a change of placement, thereby requiring federal due process procedures to be followed. The suspension of a handicapped student for up to ten days per year does not constitute a change of educational placement.

All students that are suspended, in school or out of school, may be permitted to make up their assignments at the discretion of the building principal.

### **PERMANENT EXCLUSION**

A student may be permanently excluded from attending any Ohio public school if the student is convicted of, or adjudicated a delinquent child, for committing, when 16 years of age or older, one of several criminal offenses.

### **DUE PROCESS**

Due process in the context of administrative proceedings carried out by school authorities does not mean that proceedings used in courts in juvenile proceedings must be followed exactly by school authorities when engaged in disciplinary proceedings. It does mean that clear, definite, and fundamentally fair rules of procedure must govern disciplinary actions taken by school authorities. According to O.R.C. 3313.66 a student must be given written notice of intent to suspend, with reasons for the intended suspension, and an opportunity to explain his/her behavior to the school administrator.

### **SEARCH AND SEIZURE**

In order to ensure the safety and well-being of all students, teachers, school employees and guests, it is the policy of this school district to authorize its administrators to search the clothing and personal effects of students where such a search is reasonably necessary under all the surrounding circumstances. In order to conduct such a search, it is not necessary that the administrator have probable cause to believe that a crime or violation of a school rule has occurred. It is necessary only for the administrator to have reasonable grounds to believe that a search will produce evidence that a student has violated or is violating a law or school rule. If such reasonable grounds exist, an administrator may conduct a search of a student's person or personal effects including but not limited to electronic devices. The search shall be reasonably related to the objectives of the search and not excessively intrusive in light of the age and sex of the student and the nature of the possible infraction that may have or may be occurring.

### **STUDENT DISCIPLINE CODE**

It is the intent of Olmsted Falls City School to provide an environment conducive to a positive educational experience for all students and staff. In order to accomplish this end, it is necessary to implement rules of order for the people that it serves. No institution or organization can endure or operate effectively without some rules of order for the people that it serves. This control is usually in the form of "rules and regulations." The rules and regulations set forth herein have been developed with the help of students, parents, teachers, and administrators over a long period of time. It is in regard for the health and welfare of all, the benefit of the institution, the safeguard of each individual that these rules are set forth.

This code of conduct is in effect while students are under the authority of school personnel or involved in any school activity. This includes but is not limited to school buses and property under the control of school authorities, and while at interscholastic competitions, extracurricular events, or other school activities or programs.

In addition, this Code of Conduct includes misconduct by a student that occurs off school district property but is connected to activities or incidents that have occurred on school district property.

Violation of the Code of Conduct may result in verbal or written warning or reprimand, referral to guidance counselor, parental contact or conference, detention, in-school suspension, Saturday school, community service, emergency removal, referral to law enforcement agencies, suspension or expulsion.

The Polaris Career Center is an extension of our school program; therefore, students who elect to attend the career center are subject to disciplinary action based upon the Student Code of Conduct of either Olmsted Falls High School and/or the Polaris Career Center. Consequently, conduct and/or involvement in any activity that may or does result in disciplinary action by one school may be grounds for similar disciplinary action by the other school.

The Administration reserves the right to exercise flexibility in the Administration of all disciplinary action. Individuality of the student infractions and other considerations may necessitate disciplinary action other than that specifically listed. The Administration reserves the right to incorporate such actions. Olmsted Falls City Schools operates on the assumption that all disciplinary action functions on the philosophy of progression. Therefore, as referrals to the office mount, more severe penalties will be progressively implemented. The intent of this philosophy is to modify, perhaps eliminate undesirable student behavior.

Unless otherwise indicated, the penalty for the violation of any of the following rules may be detention, Saturday detention, suspension, expulsion, and/or permanent exclusion from school pursuant to O.R.C. Sections 3313.66 and

3313.661. Furthermore, it should be noted that the consequences of the violations of these rules could result in not only school-related discipline, but also in criminal and/or civil actions.

**Rule 1: Disruption of School**

A student shall not by use of violence, force, noise, coercion, threat, intimidation, fear, passive resistance or any other conduct cause the disruption or obstruction of any lawful mission, process, or function of the school. Neither shall he/she engage in such conduct for the purpose of causing the disruption nor is obstruction of any lawful mission, process, or function of the school if a substantial and material disruption or obstruction reasonably certain to result from his urging.

While this list is not intended to be all-inclusive, the following acts, illustrate the kinds of offenses encompassed in this rule:

- A. Preventing or attempting to prevent by physical act the convening or continuing functioning of any school, class, or activity, or of any lawful meeting or assembly on the school campus.

**Rule 2: Damage to School or Private Property**

A student shall not intentionally cause or attempt to cause damage to school property or private property, or steal or attempt to steal school property or private property, either on the school grounds or during a school activity function or event off school grounds. Damage or theft involving private property or any school property may be a basis for long-term suspension or expulsion from school. A student who accidentally defaces or damages school property or the property of another is obliged to notify the office of this damage and is liable to pay expenses. Failure to report such damage may entail serious disciplinary action.

**Rule 3: Physical Abuse/Threatening Harassment/Threatening Behavior/Sexual Harassment/Hate Speech**

A student shall not cause physical injury, verbally harass, taunt, bully, or behave in such a way which threatens or causes physical injury to school personnel, students, or visitors while under the jurisdiction of the school and/or on school property. Those found guilty of fighting, harassing, or provoking a fight may be suspended, expelled, or permanently excluded. An individual, whose deliberate behavior directly leads to a fight between other parties, shall be considered a participant. Fighting is defined as hostile bodily contact.

Sexual harassment is defined as unwanted sexual advances, or unwanted verbal, visual or physical conduct of a sexual nature. A student who feels he/she has been a victim of sexual harassment should file a sexual harassment complaint with the building administrator, who will then forward the complaint to the district complaint coordinator who will advise administrators of further action.

Conduct constituting harassment may take different forms, including but not limited to the following:

**SEXUAL HARASSMENT**

- A. Verbal: The making of written or oral sexual innuendos, suggestive comments, and jokes of a sexual nature, sexual propositions, or threats to a fellow student, staff member, or other person associated with the district.
- B. Non-Verbal: Causing the placement of sexually suggestive pictures, or graphic commentaries in the school environment or the making of sexually suggestive or insulting gestures, sounds, leering, whistling, and the like to a fellow student, staff member, or other person associated with the district.

#### **GENDER, ETHNIC, RELIGIOUS, DISABILITY, HEIGHT, WEIGHT HARASSMENT**

- A. Verbal: Written or oral innuendoes, comments, jokes, insults, threats, or disparaging remarks concerning a person's gender, national origin, religious beliefs, appearance, etc. toward a fellow student, staff member, or other person associated with the district. (Hate speech). Conducting a "campaign of silence" toward a fellow student, staff member, or other person associated with the district by refusing to have any form of social interaction with the person.
- B. Non-Verbal: Placing objects, pictures, or graphic commentaries in the school environment or making insulting or threatening gestures toward a fellow student, staff member, or other person associated with the district.
- C. Physical: Any intimidating or disparaging action such as hitting, hissing, or spitting on a fellow student, staff member, or other person associated with the district.

Any student who believes that he/she is the victim of any of the above actions or has observed such actions taken by another student, staff member, or other person associated with the district should promptly take the following steps:

1. If the alleged harasser is a student, staff member, or other person associated with the district other than the student's building administrator, the affected student should, as soon as possible after the incident, contact his/her building administrator.
2. If the alleged harasser is the student's building administrator, the affected student should, as soon as possible after the incident, contact the superintendent.

The student may make contact either by a written report or by telephone or personal visit. During this contact, the reporting student should provide the name of the person(s) whom s/he believes to be responsible for the harassment and the nature of the harassing incident(s). A written summary of each such report is to be prepared promptly and forwarded to the building administrator.

The district recognizes that determining whether a particular action or incident is harassment or, conversely, is reflective of an action without a discriminatory or intimidating intent or effect must be based on all of the facts in the matter. Given the nature of harassing behavior the district recognizes that false accusations can have serious effects on innocent individuals. Therefore, all students are expected to act responsibly, honestly, and with the utmost candor whenever they present harassment allegations or charges against fellow students, a staff member, or others associated with the district.

This guideline does not negate the requirements for reporting suspected child abuse to the proper authorities in compliance with board policy. Some forms of sexual harassment of a student by another student may be considered a form of child abuse, which would require that the student-abuser be reported to proper authorities in compliance with State law.

#### **Rule 4: Weapons and Dangerous Instruments**

A student shall not possess, handle, or transmit a knife, razor, ice pick, electronic stunning devices, explosive, sword cane, machete, firearms, fireworks, pellet or air rifle, pistol or other object that reasonably can be considered a weapon. A student shall not fire, display, or threaten the use of firearms, explosives or other weapons on school premises. Moreover, the student shall not consume any alcoholic beverages or intoxicants or drugs-of-abuse at any time before the student's arrival at school or at a school sponsored or related event or activity or manifest evidence of such use, such as odor, reddened eyes, or other similar characteristics. Examples of drugs-of-abuse include, but are not limited to: narcotic drugs, hallucinogenic drugs, generic drugs, amphetamines, steroids, barbiturates, marijuana, glue, cocaine, as well as look-alike substances, synthetics, or other substances that could modify behavior.

Students shall not possess, use, transmit, sell or conceal any drug-of-abuse instrument or paraphernalia. This includes, but not limited to the smoking of and/or in possession of any electronic, "vapor," or other substitute forms of cigarettes, clove cigarettes or other lighted smoking devices may be considered drug paraphernalia.

If there is, in the opinion of the Administration, reasonable cause to believe that a student has consumed an alcoholic beverage in violation of the above rule, the student may be requested to submit to a chemical analysis of breath to determine the presence or absence of alcohol.

Use of drugs in accordance with a medical prescription from a licensed physician shall not be considered in violation of this rule. However, all such drugs must be maintained in their original container and submitted to the office.

Students found in violation of this rule may be suspended, expelled, and/or permanently excluded, may be referred to the Registrar of Motor Vehicles and to the Juvenile Court recommending a suspension of the student's driver's license/permit. - A. Insubordination. A student shall comply with directives and the reasonable requests of teachers, student teachers, substitute teachers, educational aides, bus drivers, or other appropriate school personnel. Failing to serve Saturday School or discipline procedure shall also constitute insubordination. Severe or repeated noncompliance may result in suspension, expulsion, or permanent exclusion.
- B. Inappropriate Behavior. A student shall not behave in a disrespectful, belligerent, or in an otherwise inappropriate manner toward any individual mentioned in Part A.
- C. Repeated Misconduct: No student shall repeatedly fail to comply with school rules and regulations or with directions of teachers, student teachers, teacher aides, principals or other authorized school personnel.

**Rule 12: Cafeteria**

Throwing food, intentional abuse of the cafeteria, or other such inappropriate behavior is prohibited.

**Rule 13: Hazing**

It is the policy of the Olmsted Falls City Board of Education and School District that hazing activities of any type is inconsistent with the educational process and shall be prohibited at all times. No administrator, faculty member, or other employee of the school district shall encourage, permit, condone, or tolerate any hazing activities. No student, including leaders of student organizations, shall plan, encourage, or engage in any hazing. Hazing is defined as doing any act or coercing another, including the victim, to do any act of initiation to any student or other organization that causes or creates a substantial risk of causing mental or physical harm to any persons. Permission, consent, or assumption of risk by an individual subjected to hazing does not lessen the prohibition contained in this policy.

According to Section 3319.41 O.R.C., the school bus driver has the authority and responsibility to maintain control over students on the school bus.

**Rule 15: Other School Violations**

**STUDENT LOCKERS**

Lockers supplied by the school and used by the students are the property of the board of education. Therefore, student lockers and the contents of the lockers are subject to random search at any time without regard to whether there is a reasonable suspicion that any locker or its contents contains evidence of a violation of a school rule or criminal statute. Random searches of lockers may include the assistance of dogs trained to detect the presence of drugs.

**STUDENTS WITH DISABILITIES**

The American's with Disabilities Act (A.D.A.) and Section 504 of the Rehabilitation Act (Section 504) prohibit discrimination against persons with a disability in any program receiving Federal financial assistance. This protection applies not just to students, but to all individuals who have access to the District's programs and facilities. The laws define a person with a disability as anyone who:

- A. Has a mental or physical impairment that substantially limits one or more major life activities
- B. Has a record of such an impairment
- C. Is regarded as having such an impairment.

The District has specific responsibilities under these two laws, which include identifying, reviewing and, if the child is determined to be eligible, affording access to appropriate educational accommodation.

Additionally, in accordance with State and Federal mandates, the District seeks out, assesses and appropriately services students with disabilities. Staff members use a comprehensive child study process to systematically screen, assess and, if appropriate, place students in special education and related services. Students are entitled to a free appropriate public education in the "least restrictive environment."

A student can access special education and related services through the proper evaluation procedures. Parent involvement in this procedure is important and required by Federal (IDEIA), A.D.A. Section 504) and State law.

Contact your building principal or Dr. Shannon Goss, Director of Student Services at 440-427-6530 or by email at [sgoss@ofcs.net](mailto:sgoss@ofcs.net) to inquire about evaluation procedures, programs, and services.

## **SURVEILLANCE CAMERAS**

For students' safety and welfare, video cameras are placed throughout the building and school grounds. Actions recorded on these cameras may be used as evidence in disciplinary action. Any attempt to damage or interfere with the function of these devices will result in disciplinary action by the school and possible referral to local law enforcement.

## **VISITORS**

Visitors to the building are required to wear visitor pass name tags. If you see a person who you believe is not a member of our student body or staff please immediately report this to the Main Office or to a staff member. Student guests will be permitted under special circumstances, but only if the visit is approved by an administrator the day before the visit.

## **ACTIVITY CONFLICTS**

For students in multiple activities that are scheduled at the same time.

The following guidelines should be used to determine a student's participation when a conflict in scheduling arises: A performance (athletic event, contest, play, concert, etc.) has priority over any practice or rehearsal. When two events of equal value conflict, the student may participate in the event of his/her choice without fear of penalty or consequence. Students are to inform coaches/advisors of conflicts as soon as they become aware of them.

[If you or your child is a student-athlete, please refer here for a step by step in depth conflict guidelines that will be followed by all athletic teams.](#)

## **ADVANCED PLACEMENT AND COLLEGE CREDIT PLUS**

### **Advanced Placement (AP)**

AP gives students the chance to take college-level work while in high school to possibly earn college credit and placement. All AP courses receive a weighted grade (A=5.0). Students may take the Advanced Placement examinations without taking the course, however, this situation is rare. See your school counselor for additional information.

AP examinations are administered at Olmsted Falls High School each year in May. Registration for the examinations takes place in the fall, at which time the exam fee will be added to school fees. A fee reduction is available when a verifiable need exists.

AP Exams are scored on a scale of 1 to 5. Many U.S. colleges grant credit and/or advanced placement for scores of 3 and above.

### **College Credit Plus (CCP)**

College Credit Plus (CCP) is the State of Ohio's dual enrollment program. Eligible students are able to take college level coursework at any participating college or university and earn college credit. Grades for CCP courses may be weighted only if OFHS offers an equivalent AP or honors course in the broad subject area.

All interested students should follow the state mandated process for eligibility and enrollment. Please view the College Credit Plus Presentation below.

[College Credit Plus Presentation](#)

All copies of the necessary paperwork are found on the Counselors' Corner website and the High School Guidance Office.

[Counselor's Corner - CCP](#)

A student must inform the Olmsted Falls High School Guidance Office by April 1st he/she plans to participate in the CCP program by turning in the "Intent to Participate" form each year. This deadline is state mandated. Please see your counselor or the Counselors' Corner website for more information

## **ATHLETIC ELIGIBILITY**

Eligibility for each grading period is determined by grades received the preceding grading period. Semester average and yearly average have no effect on eligibility. Students must be currently enrolled in school and receive passing grades in a minimum of five one-credit courses or the equivalent in the preceding grading period. In addition, Olmsted Falls Board of Education has adopted the State minimum G.P.A. For eligibility purposes, summer school grades may not be used to substitute for failing grades received in the final grading period of the regular school year or for lack of enough courses taken the preceding grading period.

## **AUTOMATED PARENT COMMUNICATIONS: ALERT ANNOUNCEMENT**

Olmsted Falls School District utilizes an automated communication system, called SwiftK12, to regularly and effectively communicate with parents via email, text and automated phone messages. SwiftK12 is used at both the District and building levels to communicate with parents about school news and event information. Automated attendance calls are also made through SwiftK12. Additionally, SwiftK12 notification system is used, as needed, to communicate important information about building safety and security issues (i.e. evacuations, lock-downs).

SwiftK12 is integrated within the existing PowerSchool Parent Portal. Parents have the ability to set their own communication preferences for various types of messages through the PowerSchool Parent Portal. Email and phone communications are automatically activated by default. Parents must opt-in to begin receiving text messages. To view and customize all parent communication settings, log-in to the PowerSchool Parent Portal (<https://psof.nccohio.org/public>) with your PowerSchool parent account information and click on the “SwiftK12” link located on the left-hand side of the screen.

PowerSchool account information is provided to parents for each student enrolled in Olmsted Falls School District (grades PreK – 12). Parents will need to set communication preferences separately for each student. For additional information on customizing your parent communication preferences, please visit [www.ofcs.net](http://www.ofcs.net) and click the PowerSchool link to access the “SwiftK12 Documentation.” Parents may also contact your child’s school building for assistance in setting parent communication preferences.

5. Students dismissed from detention because of misconduct or failure to bring and use study materials may be suspended.

### **Olmsted Falls High School students will be expected to respect the following guidelines:**

1. BE PREPARED. They will bring school work such as school work, homework, projects, or reading material. Use of a chromebook for educational purposes is allowed if permission is granted.

4. BE ON TIME. Times will be communicated with parent/guardian and student by the staff member issuing the discipline.
5. COMPLETE BEHAVIOR SHEET. The student will complete the behavior sheet by the end of the detention with fidelity.
6. BE RESPECTFUL. The student will follow teacher directions and behave appropriately.

## **DIFFERENTIATED REFERRAL SYSTEM**

The Olmsted Falls City Schools strives to meet all students' individual needs, recognizing that all students have differing strengths, and learning styles. In addition, the district recognizes that the most effective student learning occurs through a home-school partnership. Through the systems that have been set up in each school building our aim is to improve the outcomes for all Olmsted Falls students with the goal to maintain students in a general education curriculum setting to the fullest extent possible as they make expected academic progress. Response to intervention is a preventative technique that looks to provide immediate support to students. Please access additional information on the school's website or contact your child's building principal.

## **DISMISSAL FROM CLASS**

When a student is directed to leave the classroom or study hall, he/she must leave class and report directly to the Student Office. Failure to report is a suspendable offense. The student is to remain in the Student Office until excused by the assistant principal or a member of the Student Office staff.

## **DRESS CODE**

We recognize that each student's mode of dress and grooming is an expression of personal style and individual preference. It is the policy of the Olmsted Falls City Schools Board of Education to recognize the rights and privileges of each student in the matters of dress and appearance to the extent that the exercise of that right does not interfere with the orderly process of education. Student dress should not cause a safety hazard. The Board authorizes the Superintendent or his/her designee to establish a reasonable dress code in order to promote a safe and healthy school setting and enhance the educational environment.

Such guidelines shall prohibit student dress or grooming practices which:

- A. present a hazard to the health or safety of the student himself/herself or to others in the school;
- B. materially interfere with school work, create disorder, or disrupt the educational program;
- C. cause excessive wear or damage to school property;
- D. prevent the student from achieving his/her own educational objectives because of blocked vision or restricted movement.

Clothing is prohibited that bears statements, slogans, images, illustrations, or insignia that are indecent, offensive, obscene, profane, lewd, vulgar; or that harasses, threatens, intimidates, demeans, suggests, or promotes violence against an individual or group of individuals because of their gender, color, race, religion, disability, or national origin, or otherwise constitutes sexual or other forms of harassment prohibited by Board policy or the Student Handbook; or that advertises, promotes, or depicts alcoholic beverages, tobacco products, or illegal drugs.

**Please note:** The following are meant to be guidelines of appropriate dress for school and to contribute to the positive atmosphere at our school. They are not intended to be comprehensive. When considering clothing for school, think about whether it is something you would wear to work, at a restaurant, retail store, or doctor's office.

*Final determination for acceptable dress rests with the school administration.*

The OFHS student handbook outlines the Dress Code Policy as follows:

#### **Allowable Dress & Grooming**

- School dress and grooming should be similar to what would be appropriate for an informal workplace or place of business.
- Shorts or skirts should be an appropriate length.
- Clothing must cover midriffs, undergarments, and private areas.
- Clothing covering undergarments and private areas must be opaque.
- Clothing must be suitable for all scheduled classroom activities including physical education, science labs, and other activities where unique hazards exist. Specialized courses may require specialized attire, such as sports uniforms or safety gear.
- Special permission must be granted by Administration for hats, bandannas, etc. to be worn during the school day.
- Head coverings are permitted for religious purposes.

#### **Non-Allowable Dress & Grooming**

- Clothing and accessories should not advertise or suggest drugs, alcohol, tobacco, illegal substances, weapons, violence, profanity, hate speech, or obscenities.
- Hats, hoods, bandannas, and all other head coverings should not be worn in the building during the school day due to school safety concerns.
- If the student's attire or grooming threatens the health or safety of any other person, then discipline for this violation will be consistent with discipline policies for similar violations.

#### **What will happen if I am sent to the office?**

- Students sent to the office for a dress code violation will first be asked if they have something else to put on. The next alternative will be to call a parent/guardian to bring a change of clothes from home.
- Our goal is to return students to the learning environment as quickly as possible, but students will not be permitted to return to class until clothing is changed.
- Students may stay in the Student Office while waiting for a parent/guardian to arrive or if they refuse to change clothes.
- Repeat offenders may warrant additional disciplinary consequences.

*Final interpretations of appropriate dress and grooming reside with the building principal and/or his/her designees.*

## **EARLY DISMISSAL**

Upon presentation of a written request from a parent or guardian at the Student Office, a student will receive a special excuse slip. Names of excused students will be listed on the daily attendance list with the departure time indicated. The student is to show the excuse to his/her teacher if he/she is to leave during a class period. Students are to report to the Student Office when returning to school. Please include a parent phone number on all requests for early dismissal.

## **ELECTRONIC DEVICES**

Electronic devices are not to be used during class time, unless permission is granted by the teacher. During class time, all electronic devices must be shut off and put away unless permission is granted by the teacher. School personnel may confiscate electronic devices when not used properly and students may be subject to disciplinary action. Additionally, parents have the right to inspect, upon request, any instructional material used as part of the educational curriculum of the student. The parent will have access to the instructional material within a reasonable period of time after the request is received by the building principal. The term instructional material means instructional content that is provided to a student, regardless of its format, including printed and representational materials, audio-visual materials, and material in electronic or digital formats (such as materials accessible through the Internet). The term does not include academic tests or assessments.
